PERCUSSIVE DANCE ENSEMBLE

“Their imaginative choreography combines the elements of clog, step and tap dance into one breathlessly kinetic and vibrantly percussive performance.”

THE WASHINGTON POST

“It is fast, furious, amazingly skillful, and above all, vastly entertaining.”

THE JOURNAL, Newcastle, England

“The group’s techniques ought to be patented...a fast paced, witty and exuberant exhibition of their remarkable clogging skills. In short, a first rate show.”

THE WASHINGTON POST

presents a uniquely American story: an exuberant fusion of live music, comedy, singing and a dazzling array of percussive dance forms rooted in different cultures. Since 1979, Footworks has represented American culture internationally, including a Smithsonian Institution tour of Japan, and as guest artists with *Riverdance* in London. Founder and Artistic Director Eileen Carson is an NEA Choreography Fellow.

“...a dance review that packs as much skill, pizzazz, energy, imagination and artistry into an hour as the greediest dance fancier could ask.”

REVIEWS

“...genuine show-stoppers...Footworks, the wonderfully animated and unpredictable dance troupe and string band. Clogging, flat-footing, and hooting its way through an enormously crowd-pleasing performance...came across as the Bolshoi of barn dancing.”

THE WASHINGTON POST

“...they generally had more fun than seemed legal...these human drums deftly execute their sometimes goofy, sometimes intricate terpsichorean patterns...the power of the human spirit at play. Their ability to entertain, to educate, to engage the audience was purely a function of their passion for their art form.”

THE VCREPORTER
Ventura, California

“...a brilliant dance troupe...with one foot in tradition and the other in innovation.”

THE IRISH ECHO

“The rough-hewn vigor of the choreography and the eruptive joy of Footworks dancers are as contagious as laughter...the dancers rode an unending rhythmic current...playful ease...whip-sharp timing and devilishly tricky footwork...”

THE WASHINGTON POST

“The sheer rhythmic and visual magic of percussive dance troupe Footworks...kicking out a dazzling array of hard shoe clogging routines from around the world, match breathtaking physical talents with brilliantly imaginative choreography.”
